Troop Activities

Pine Trees

Last weekend we went to the Eiteljorg museum. It was fun. We learned a lot about Native Americans. We also ate at the mall.

Cyclones Patrol Outing

March 25&26

The cyclones went on the most crazy exhilarating fast-paced freezing cold outing EVER!! From putting up a dining fly by using trees and rope to speeding along rocky cliffs. The cyclones now know what it means to hard-core mountain bike. On Friday night we set up camp and even socialized a bit with our neighboring troop 577 from Greensburg On Saturday we had an Amazing breakfast cooked on a wood fire. Oatmeal French toast bananas ect. We tore down camp and left on our 7 3/4 mile biking adventure. It wasn't until we got to the top that we realized that we were 300 feet above the city of Columbus!! Overall we had had a great time and we had a lot of fun too. I would like to thank all the adults that and scouts that went because without them this camp out would not be as successful as it was.
